

## INVITATION TO AUTHORS

Essays, book reviews, syllabi, poetry, and letters are welcomed. Your essay should have a title, your name and address, e-mail address, and a brief summary of content. In addition, your telephone number (not for publication) would be helpful.

If possible, avoid footnotes; put references and bibliography at the end of the text, using a consistent style. Please put all figures on separate sheets of paper at the end of the text, with annotations as to where you would like them to fit within the text; these should be original photographs, or drawn in dark ink. These figures can later be returned to you if you so desire.

Two copies of your submission, double-spaced and preferably laser-printed, should be sent to:

**Prof. Alvin White**  
**Humanistic Mathematics Network Journal**  
**Harvey Mudd College**  
**Claremont, CA 91711**

Essays and other communications may also be transmitted by electronic mail to the editor at [awhite@hmc.edu](mailto:awhite@hmc.edu), or faxed to (909) 621-8366. The editor may be contacted at (909) 621-8867 if you have further questions.

The Journal uses the programs Microsoft Word, PageMaker and Photoshop for the Macintosh. If you used any of these programs to prepare your paper or figures, it would be very helpful to us if you sent a copy of the files on disk along with the printed copies of the paper.

## NOTE TO LIBRARIANS

*Humanistic Mathematics Network Journal* issues #8-#21, ISSN#1065-8297, are the successors to the *Humanistic Mathematics Network Newsletter*, ISSN#1047-627X.

## SUBSCRIPTIONS

The Humanistic Mathematics Network Journal is distributed free to all libraries and individuals who request copies and subscriptions. Please address subscription requests to Prof. Alvin White.

## COVER

**Return fire:** In this issue Stephen Sproule, Ted Eisenberg and Margaret Schaffer respond to last issue's article by Jack Dancis. In other articles Elena Marchisotto looks back on the life of Anneli Lax, and Paul Alper and Yongzhi Yang use Pascal triangles to examine the mathematics of a lady tasting tea.
